SELECTMEN'S REPORT

Like that of other local governments, Rollinsford's Town Budget is being subjected to the upward pressures of inflationary rate increases for fuel, electricity, insurance, interest, and other items. Meanwhile, the property tax base has increased very little. Taxpayers are asking for a cap on town expenditures...and, on the other hand, police employees complain that their salaries and equipment are inadequate.

Three major problems face the town at the present time...police services, administrative services, and replacement of vehicles in the highway department. Each of these problems requires a detail study and evaluation. The Selectmen plan to establish three committees to study these problems and make recommendations for future programs, staffing and equipment.

The alternative of adding more secretarial help or computer and word processing equipment will be studied by an Administrative Committee.

A Capital Budget Committee composed of members of the Planning Board, Budget Committee, Department Heads and Selectmen will be asked to prepare a 10 year capital budget program for the town. The current appropriation of \$5,000 for the Capital Equipment Fund is grossly inadequate to meet expected capital replacement costs for Highway trucks, Packer and Fire Trucks.

Some major activities undertaken by the town in 1980 included:

1. An application for a Federal Energy Regulatory Commission (FERC) license for reconstruction and operation of the hydroelectric plant.
2. The Town began hauling its waste to the Lamprey Regional Solid Cooperative Incinerator in Durham in November.
3. Completed Phase II of our Highway reconstruction program (Old Mill Lane, Pease Lane, Pinecrest Lane, Fourth Street, and Howe Road).

A Nutrition Program was begun in October and is proving itself very successful. At the present, 25 people are benefitting from this daily program. It is not a welfare program. All we need is proof that a person is over 60 years of age and willing to participate in this program on a daily basis. Meals are served daily at Noon.

It is only fitting that we publicly thank the volunteers who help with this program by giving two hours one day each week. They are Ardith Jacobson, Sophie Zarrillo, Karen Meyers, Louise Dodier, Lillian Dodier and Cecile Morin. Some of these ladies volunteer their services three days each week, and I thank them sincerely for their help. Yvonne Thivierge, another volunteer, gives one hour each day, five days a week, rain or shine or snow, to deliver seven meals to seven elderly who otherwise would not be able to participate in this program.

The Selectmen feel 1980 has been a good year. Its been a year where much has been accomplished. 1981 will be a year of belt-tightening for all, and the Selectmen have every intention of tightening Rollinsford's belt as far as it will go without hurting too much.

We thank our other town officials for their cooperation this past year. We thank all the members of our various boards and committees for the time and energy they put into helping us run this town as efficiently as we possibly could. Last, but not least, we thank our Police Department, Highway Department and Fire Department for the very important role they play in the daily operation of Rollinsford.

Grace L. Joncas, Chairman
Board of Selectmen

REPORT OF THE HYDROELECTRIC PLANT

The reconstruction of the Town's hydroelectric plant should begin within the next few months. In late September, the Hydroelectric Study Committee, which was approved at the March 1980 Town Meeting, recommended the names of three potential hydroelectric developers to the Board of Selectmen. The reconstruction and lease-operation proposal submitted by the Seaward Construction Company of Kittery, Maine was selected by the Board of Selectmen in early October and approved by the Town at a Special Town Meeting on October 28, 1980. As the successful applicant, Seaward Construction agreed to the following:

- a) Prepare a license application for submission to the Federal Energy Regulatory Commission (FERC) by November 24, 1980. (License application to be in the name of the Town of Rollinsford.)
- b) Pay the Town of Rollinsford a percentage of gross revenues received from operation of the plant (will average 15% or more, depending on volume of production and future electric prices.)
- c) Give the Town a buy-out option that could be exercised after 8 years of plant operation.

A private developer had filed a license application on the Town's plant in May, 1980. The Town had to file a competing license application by November 24, 1980 or FERC would have issued a license to the private developer. Approval of the Town's license application is expected in the spring of 1981. Construction will begin as soon as the license is received from FERC.

Assuming that the plant will produce an average of 6.5 million kilowatts of electricity per year and it is sold to the Public Service Company for 7.7 cents per KW, the Town of Rollinsford would receive approximately \$75,000 per year. Of course, the actual revenue in a given year will vary above or below this figure, depending on water flow in the river. Clearly, the plant will provide an important source of future revenues in Rollinsford.

The Board of Selectmen sincerely appreciates the assistance given to the Town by the Hydroelectric Study Committee. This committee functioned in a professional and effective manner. Assistance received from the Strafford Regional Planning Commission also helped facilitate the evaluation of alternative proposals from developers.

- One (1) Trustee of the Rollinsford Library Trust Fund for three (3) years.

ARTICLE II

"Shall we adopt the provisions of RSA 654:34-a permitting applications for changes in party affiliation to be made with the Town Clerk?"

ARTICLE III

To choose all other necessary Town Officers for the ensuing year.

ARTICLE IV

To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provision of the State and Local Assistance Act of 1972, for use as set off against budget appropriations in the amount indicated; and to further authorize Selectmen to make pro-rata reductions in the amounts if estimated entitlements are reduced or take any other action hereof.

APPROPRIATIONS	ESTIMATED AMOUNT
Police Department	\$ 9,000
Highway Department	6,000
Fire Department	5,000
	<hr/> \$20,000

ARTICLE V

To see if the Town will authorize the Board of Selectmen to make application for and to receive and spend up to \$5,000 of funds that may become available to the Town under The Comprehensive Employment and Training Act of 1973 as amended (CETA) for the purpose of providing federally subsidized training and employment opportunities to benefit both residents of the community and the community-at-large.

ARTICLE VI

To see if the Town will appropriate the sum of \$5,000 for the Town Equipment Fund.

ARTICLE VII

To see if the Town will vote to petition the Representatives and Senators who represent the Town in the General Court to support in the current session of the General Court, the concurrent resolution to amend the State Constitution to limit the annual increase in both taxes and spending by the State to five (5) percent unless approved by a 2/3 vote of those present and voting of such taxing or spending authority. (By Petition)

ARTICLE VIII

To see if the Town will agree to convey to Thomas N. Tully and Patricia M. Tully, a parcel of land or an easement in a parcel of land of sufficient size to enable the installation of a septic system on land now owned by Thomas N. Tully and Patricia M. Tully. (By Petition)

POLICE DEPARTMENT REPORT - 1980

Rollinsford Police Department faced another very busy year in 1980. Over 5,000 calls for service and complaints were handled by the police department. This again led the other towns in Strafford County. Over 10,000 incoming and 12,000 outgoing phone calls were logged. 1,139 court cases were processed, three times as many as in 1979. Approximately 45 crimes per month were committed against persons and property, or around \$25,000 in monetary value loss per month. Approximately 48% of these crimes were solved and this was accomplished by overtime and the use of private vehicles. 47 juveniles were brought before the juvenile court to face charges ranging from uncontrollable children to arson and theft.

About 60,000 miles were logged on the town cruiser, checking homes, businesses and on routine patrol. Another 4,000 miles were logged on private vehicles, to accomplish investigations, juvenile work and transportation of evidence to Concord. The police accomplished several important projects during the year, also. A new Radar was purchased through the generosity of several private citizens and businesses. Approximately \$1,100 was donated to a special Equipment Fund Drive. I would like to thank these contributors for helping the department control and monitor speeders on our highways.

Officer Gerald Berry graduated from the N.H. State Police Academy in second place, out of 39 other police officers taking the course. A job well done Gerry! The department now has four fully trained police officers, the first time since I became Chief in 1972. The department logged over 200 hours of inservice training, at no cost to the town. I thank the officers for their participation in these programs. Last of all, I would like to thank the other town departments for their cooperation during 1980. Your aid and assistance did not go unnoticed. Also, thanks to the townspeople for their cooperation and understanding throughout the year.

Respectfully submitted,
Albert M. England
Chief of Police

ROLLINSFORD FIRE DEPARTMENT

The fire department had a very busy year as you can see from the list below and for a volunteer department that is a lot of man-hours after working 40 hours a week, but someone must do it.

I feel that our department has more dedicated men than one could realize. We are fortunate to have men who will use their spare time to attend various training sessions locally and in Concord.

We have 3 trained EMT'S now and our lieutenant recently attended Arson Investigation classes at the University of New Hampshire. Myself and the Assistant Chief have attended meetings at the recently initiated SCAR program (Strafford County Arson Resources). Most of the men have attended classes in vehicle extraction held in Rollinsford and Dover.

When you see the cars at the station on Sunday mornings and Monday nights the men are training with the equipment. Being a Volunteer requires a lot of refamiliarization with the equipment, Driving, Pumping, Hose lays, Hydrant work, Protective breathing, Communications, Ladders and Public Relations. All of these functions are basic and the basics must always be reviewed.

Not all our time is spent Training, somewhere we found the time to hold fund raisers to support a Minor and Little league baseball team, help finance the local Babe Ruth baseball team and awarded a \$250.00 Scholarship in the name of Robert Beccaris to a graduating senior from the town of Rollinsford.

The men, supervised by Joe Sweeney, found time to paint the inside of the station as well as the outside. Joe had 3 people supplied to him by CETA to do the exterior of the station.

It has taken several years to get our operation up to modernization and we are still working at it. Each year that our budget gets approved means a step further towards building a better fire department. With the effectiveness that our department is experiencing the Insurance Underwriters have changed the town's fire class, which means a savings to our taxpayers through their home insurance. We have a lot to gain and nothing to lose.

I would like to express my thanks to the officers and men for their support and to a job well done.

1980 ROLLINSFORD PLANNING BOARD REPORT

During 1980, subdivision processing continue to be the principle work of the Rollinsford Planning Board.

SUBDIVISION PROCESSING: Five (5) subdivision applications were processed and approved by the Board. These include requests submitted by: James Miller-Broadway & Oak St., Ruth Emerson-6 lots on Baer Road, Evelyn Norton-1 lot on Clement Road, Steven Roberts-4 lots on General Sullivan Way, Charles Angelopoulos-corner of Oak & Rollins Road.

BOARD CHANGES: Ralph Phipps resigned his position as secretary. Armand Laliberte agreed to perform duties as secretary for the remainder of this term, appreciation to Armand for his dedicated service to this board.

Respectfully submitted,
Shirley Curtis, Chairman

ANNUAL REPORT OF ROLLINSFORD ZONING BOARD OF ADJUSTMENT

The Board of Adjustment had an extremely busy year in 1980 hearing a total of 13 cases and rendering the following decisions:

- 1 Variance Granted to subdivide existing apartment complex.
- 1 Variance Dismissed requesting rental and storage of trucks as incidental accessory to current use.
- 2 Variances Granted allowing erection of commercial signs.
- 1 Variance Granted allowing a Right of Way to gain access to property not fronting on town road.
- 1 Variance Denied a request to expand an apartment complex.
- 1 Variance Granted renting and storage of trucks as incidental accessory to current use.
- 2 Variances Granted allowing construction of garages within abuttor's lot lines.
- 1 Variance Granted allowing reduced parking space dimensions.
- 1 Variance Granted allowing a workshop for teaching hand and machine knitting and retail selling of yarn.
- 1 Special Exception was Granted allowing development of two plots of land into a cemetery plot.
- 1 Special Exception was Granted allowing establishment of an out-patient psychiatric clinic.

The appointment of a full slate of Regular and Alternate members to the Board of Adjustment was of immense aid in discharging unusually high requests for appeals during the year, and the Town should be indebted to the dedicated, hardworking members of this Board who volunteer many hours of their time in an attempt to make this appeal process work for the good of all citizens of Rollinsford.

Rollinsford Zoning Board of Adjustment

CONSERVATION COMMISSION REPORT FOR 1980

Activities for 1980 included participation in the New Hampshire Association of Conservation Commissions, and the Rollinsford Hydro-Power Study Committee. Two Dredge and Fill Permits were reviewed. The main project for the year was the planting of trees to beautify certain areas of town, Ash and Maple trees were planted at the Elementary School and near the Fire Station, and Flowering Crab Apples were established in Morton Park.

Future activities scheduled for 1981 include the distribution of Wood Duck nesting boxes, sponsorship of a Rollinsford youth to 4-H Conservation Camp, another fuelwood cutting day to improve the Town Forest, and continuation of the tree planting program. Suggestions for other activities should be brought to the attention of the Commission Chairman for 1981, Paul Hanson.

HYDROELECTRIC STUDY COMMITTEE REPORT

On April 4, 1980 the board of selectmen appointed a hydroelectric study committee to assist them in assembling the facts and figures necessary to determine how the long abandoned hydroelectric plant could best benefit the town. Members of this committee included: Cory Curtis (chairman), Dave Morrisette (Vice Chairman), Fred Courser (recorder), Peter Mantos, Armand Laliberte, Fred Green and Dick Eisfeller. The committee met more than a dozen times and spent much time gathering, studying, comparing huge amounts of information concerning hydro plant development and developers.

Not long after the committee was formed the hydro power developing company of Webster & Gleeson filed for a minor license with the Federal Energy Regulatory Commission (FERC) to develop the Rollinsford site.

In order for the town to retain control over the site and maximize benefits to the town, the committee agreed to notify FERC that the town of Rollinsford intended to file a competing application for the right to develop the site.

A request for proposals was advertised to attract prospective developers interested in preparing a proposal so that the town could compete with Webster & Gleeson. Five companies responded with proposals along with another proposal from Webster & Gleeson. The committee then interviewed bidders.

A Public Hearing was held September 25 to inform the townspeople of the status of the Hydro project as required by the previous town meeting and to get an input as to possible objectives to consider in selection of a contractor.

Utilizing a systematic method for decision making the committee recommended to the selectmen that Seaward Construction Co. be selected as the hydro developer to act in the interest of the town.

A Special Town Meeting was held and Seaward Construction was confirmed as the town's choice and a competing Minor license was filed with FERC in November 1980.

Special thanks to Gary Mongeon of the Strafford County Regional Planning Commission for his time and professionalism, he made a difficult task pleasurable.

Respectfully submitted,
Cory Curtis, Chairman

1980 YEAR-END REPORT OF THE STRAFFORD REGIONAL PLANNING COMMISSION

The Strafford Regional Planning Commission has provided over 170 hours of specific technical assistance to the Town of Rollinsford in support of several ongoing projects, at the request of various town officials. These local projects have included:

1. at the request of the Board of Selectmen, assisted the Rollinsford Hydropower Study Committee draft a request for proposals from developers for a feasibility study to reactivate the Town's hydropower plant;
2. assisted the Committee evaluate development proposals and interview developers for selection;
3. helped draft the contractual agreement between the Town of Rollinsford and the selected hydropower developer;

STRAFFORD REGIONAL PLANNING COMMISSION cont.

4. met with the developer of the Town's hydropower plant concerning the strategy to obtain federal licensing of the plant;
5. reviewed the Damart expansion plans to determine possible conflicts with municipal plans for the development of the hydropower plant; and
6. prepared for and attended a meeting of the Planning Board concerning a potential project to update the Rollinsford Master Plan.

TRI-AREA VNA ANNUAL REPORT-FY 1980

The Tri-Area Visiting Nurse Association offers services to the residents of Somersworth, Rollinsford, and Berwick. The total population served is approximately 17,512. (Somersworth-11, 290. Rollinsford-2,422. Berwick-3,800.)

Nursing services provided under the care of the sick program include care for the home-bound ill, follow-up care for patients with TB and other communicable diseases, care to mentally ill patients, guidance in good health habits and self-care, and assistance to families in coping with emotional problems arising from illness or injury. Physical Therapy services provide a treatment program designed to restore maximal level of function following strokes and other disabling conditions. Occupational Therapy services provide in-home training in rehabilitation tasks such as dressing and eating, and general activities of daily life. All services are provided under a physician's plan of treatment.

4,546 visits were made under the care of the sick program in 1980. 78% of these visits were made to patients sixty-five and over, 14% to ages 45-64, 7% to 21-44, and 1% to ages 6-20. Breakdown of visits by area for nursing, physical therapy and occupational therapy follows:

Somersworth:	Nursing 1,859	PT 451	OT 144	Total Visits = 2,454
Berwick:	Nursing 724	PT 558	OT 30	Total Visits = 1,312
Rollinsford:	Nursing 659	PT 121	OT 0	Total Visits = 780

Subject: Auditors' Statement

I have examined the balance sheet of The Rollinsford Sewer District as of December 31, 1979 and the related statements of income and expenses and changes in financial position for the year then ended. My examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as I considered necessary in the circumstances.

The Sewer District had not maintained a record of its general fixed assets for the years prior to 1975, as a result, exception is taken by the auditor as to the balances listed on the balance sheet.

In my opinion, subject to the exceptions in the above paragraph, the accompanying balance sheet and statement of income and expenses present fairly the financial condition of The Rollinsford Sewer District as of December 31, 1979, and the results of its operations for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Very truly yours,
Joseph J. Giordani

ROLLINSFORD SCHOOL DISTRICT PROPOSED SCHOOL WARRANT The State of New Hampshire

To the Inhabitants of the School District in the Town of Rollinsford qualified to vote in district affairs.

You are hereby notified to meet at the Rollinsford Grade School in the said district on the third day of March 1981, at 7:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the ensuing year.

PROPOSED SCHOOL WARRANT cont.

2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors, and Committees in relation to any subject embraced in this warrant.
8. To see if the district will authorize the school board to make application for and to receive in the name of the district such advances, grants-in-aid, or other funds for educational purposes as may now or hereafter be forthcoming from the United States Government or any department or agency thereof.
9. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
10. To transact any other business that may legally come before this meeting.

Given under our hands at said Rollinsford this 10th day of February, 1981.

ROLLINSFORD SCHOOL DISTRICT 1981-1982 BUDGET PROPOSAL

To The Residents of Rollinsford:

The proposed 1981-1982 Rollinsford School District budget includes a gross budget increase of \$42,473.00. Major items contributing to this 6.5% increase include:

1981-1982 BUDGET PROPOSAL cont.

A. Instructional Salaries and Benefits: (Account #1100). The dollar increase for salaries is \$11,720 which is 9.1% from budget to budget. Health insurance rates have increased 52% single membership, 42% family membership and 16% two-person membership. The salaries and benefits increase is \$15,713-10.7%.

B. Special Education Salaries and Benefits: (Account #1200). The dollar increase in this account is \$2,626 which is 15.3%. The proposal includes a full-time teacher and an aide. This position will attempt to up-grade the reading program for all children attending the Rollinsford Grade School, a School Board priority, as well as providing for the special needs children.

C. Office of the Principal: (Account #2410). Increase in this account is \$2,478 (9.3%). The proposal calls for a 10% salary increase for the secretary and principal.

D. Care and Operation of Plant: (Account #2510). Most of the \$8,829 (19.3%) increase is due to rising fuel and utility costs \$6,420. The proposal calls for two full-time custodians with reduction of the part-time position currently in effect.

E. Contracted Services Transportation: (Account #2550). The increase in this account is \$8,750-(25.0%). The factors causing increase here are rising gasoline, insurance, labor, and unit costs.

The Rollinsford School Board presented a budget calling for an increase of \$54,447 (9.6%) at the public hearing. In responding to concerns of the public for holding the budget increase to a lesser amount, the Board met and decided to hold as many areas as possible at 1980-81 budget levels, even though the inflationary impact is being felt by the school as it is by all sectors of the economy.

Respectfully submitted,
Richard N. Fogarty,
Rollinsford School Board Chairman
